Commissioner for Patents

The reply filed on January 4, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): an election of the specific specie from group A does not satisfy the requirement for an election of species as required by the Office action of December 5, 2007. In order to be fully compliant with the election of species, applicants must also elect a specific antigen as stated in claims 7-9, 11, 12 and 19-21 and if influenza virus is elected, an additional species must also be elected from claim 10 (as required by page 3-group B of the above mentioned Office action). The applicants are notified that any claims not reading on the elected species will be withdrawn from consideration. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
